BARREL BA\$H SATURDAY SCHOLARSHIP PROGRAM

For the past four years, Double B Productions, LLC has given scholarships at the Bonus Race World Finals. The letters of appreciation we receive from both parents and students are heartfelt. Producer, Renea Bolling explains, "I always wanted to find a way to do more for our contestants. I've watched many of them grow up at our shows and they become like family. I'm excited to announce our SATURDAY SCHOLARSHIP PROGRAM to help more students who are both competing in barrel racing AND pursuing a higher education."

I'm a college graduate myself, and currently have a son who is a freshman at Rogers State University in Claremore, Ok. My son doesn't ride, his interests are in computers and technology and the opportunity for scholarships are sometimes few and far between unless you are at the very top of your class. I know what it means as a student and a parent to have financial help while in college. Horses and competing are expensive and adding college to the mix elevates those totals very quickly.

For October, November and December this year we will add 30 exhibitions after the show (30 max@\$5 each). This money will be given back 100%+ to our scholarship program and paid out EACH weekend. To be eligible for application, one must not have reached their 23 birthday, they must be entered in the Barrel Ba\$h open and must complete a scholarship form at each and every event by entry closing time on Saturday. A copy of their CURRENT class schedule must accompany this application. \$300 (\$150 from exhibitions and \$150 from Double B Productions, LLC) will be given at each event.

An applicant will only be allowed to win ONE scholarship over the 3month period.

We hope you will share the news of the SATURDAY SCHOLARSHIP PROGRAM with your fellow barrel racing friends. Our fall SATURDAY SCHOLARSHIP schedule will include
